

Crawley Hospital, Sussex

Substantial project to modernise 9 lifts with Apollo providing turnkey solution from design to testing

- ❑ Schedule 12 accreditation allowed Apollo to offer a design-led service for this major programme, including all works for a 4-car group refurbishment
- ❑ Project instigated as a result of operating issues identified by Mercury SMS, allowing a remedial plan with cost-benefit analysis to be drawn up
- ❑ Busy site now enjoying maximum uptime and minimal disruption

Apollo – All over the UK
